Subject: Callide Infrastructure Corridor - Landowner Security Issues

Good afternoon Inspector Coleman,

As discussed during our phone conversation earlier today, Mr Colin Bunker (Executive Director - Land Acquisition Branch) and I are travelling to Gladstone on 20 and 21 May 2010 to undertake tasks associated with the compulsory acquisition of easements for the Callide Infrastructure Corridor.

We would like to meet with you and your staff at your office at 2:00pm on Friday 21 May to brief you on the Callide Infrastructure Corridor project and the relevant property access and acquisition heads of power within the *State Development and Public Works Organisation Act 1971* and the *Acquisition of Land Act 1967*. We would also like to discuss Sch. 4(3)(3) security issues on the alignment and formulate strategies for managing these issues.

I confirm your advice that you will arrange for the appropriate police and legal representatives to be in attendance. Please contact me via the details indicated below if I can be of any further assistance and to confirm your acceptance and the venue for this meeting.

Kind regards,

Andrew Stove
Project Manager
