Ta, Stace. Could I get you to provide the names in full and by reference to suburb and PDA name in an email so I can use that as the response? Ta.

Clinton,

I understand you need data for a RTI. Find attached a summary of the industrial portfolio prepared for GLAM as at 5 June 2013.

The assets listed as "available" are the developed lots available for sale.

Is this sufficient to extract the data for the response?

Regards

John White
